

School District #85

Weather Related School and Busing Information

Occasionally, School District #85 can experience closures to schools and/or bus transportation cancellations or delays.

Information on school closures or changes in bus schedules will be relayed by School District #85 to the following media outlets:

- 1) **CFNI Port Radio** – 1240 AM – *School closures (including information on individual schools) and all transportation cancellations or delays.*

- 2) **The Weather Network** – *District-wide closures and transportation cancellations are available at www.theweathernetwork.com and on the Weather Network television morning program. Information will be displayed every 10 minutes from Monday to Friday between 6:00 am and 9:00 am. Reports and updates will also be included in their “School Day Forecast” at 28 minutes past the hour from 6:00 am to 9:00 am.*

- 3) **CBC Radio 1** – *School closures (including individual schools) and transportation cancellations or delays.*
