

ASSESSING VIOLENCE POTENTIAL
- POLICY-

The Board recognizes that school personnel will, from time to time, become aware of pupils engaging in threat making behaviour that is not covered by policies in place for day to day health and safety of staff and students. The Board supports a collaborative response to dealing with these behaviours through the Community Threat Assessment Protocol.

- REGULATIONS -

1. The “Community Threat Assessment Protocol”, was developed collaboratively by representatives of North Island community agencies and the school district. The Protocol, which is on the School District website, will be updated annually.
2. Training shall be provided to principals, vice principals and other staff in the implementation of this protocol.
