

COMMUNITY USE OF SCHOOL BUSES

- POLICY -

Normally, school buses will only be used for school-related activities. However, community use of school buses may be permitted upon written application by a community organization to the Secretary-Treasurer. The application must state the purpose of the trip, destination, number of passengers, time of departure and estimated time of return. The Board's standard contract form must be signed by a duly authorized representative of the community organization. The community organization is responsible for the payment of rates in affect at the time of the rental.
