

The School-Based Team: A Resource for Parents

Every school has a School-Based Team. The core team members are the administrator, the learning assistance teacher(s), and the counsellor. Other staff members attend meetings as needed. The purpose of the School-Based Team is assist classroom teachers to develop and implement instructional and/or management strategies and to coordinate support resources for students with special needs within the school. The School-Based Team provides support for students who are struggling with school as well as students who are exceeding expectations.

If you have concerns or questions about your child's academic program, please do not hesitate to contact a member of your School-Based Team.
