

Get set for Kindergarten

Registration Begins January 29th

Each child is unique ...

learns and grows at his/her own rate and has different experiences and interests.

But all children need ...

love, a good self image, guidance, acceptance, opportunity, approval, conversation, respect, patience, tolerance, encouragement, laughter and a sense of belonging.

Parents are partners ...

encouraging young children to try a variety of experiences and progress at their own learning rate, listening carefully to them and fostering their natural curiosity about their world.

SD85 offers all its Kindergarten students a program that follows the B.C. Curriculum where students learn and develop through play in the following key areas:

- ◆ Emotional & Social Development
- ◆ Physical Development & Well-Being
- ◆ Intellectual Development
- ◆ Language & Literacy Development
- ◆ Numeracy Development
- ◆ Artistic Development

School District No.85 invites all parents of Kindergarten-aged children to register their child for full day Kindergarten classes in September 2018.
