"Bringing Learning to Life"

ADMINISTRATIVE ANNOUNCEMENT

The Board of Education for School District 85 (Vancouver Island North) has the following announcements to make:

After 31 years of dedicated service to School District 85, Mr. John Martin will be taking a very well earned retirement. He has served the school district extremely well and has undertaken a multitude of roles. John will be working in the school district beyond the start date of the replacement Secretary Treasurer to support a good transition.

The Board is very sad to see John leave but is hoping that this will be his opportunity to enjoy a long, healthy and happy retirement.

The Board of Education is delighted to announce that effective February 1, 2020 Mr. Ray McDonald will be taking over the position of Secretary Treasurer of School District 85.

For the past twenty-five years, Ray has worked as a Financial Administrator. His current position is that of Secretary Treasurer in School district 82 (Coast Mountains). Ray has several professional qualifications including that of Chartered Professional Accountant (CPA). In addition to the qualifications and experience that Ray brings, as a previous long-time resident of the North Island he will be returning to his home and family in Port McNeill.

The Board of Education wishes Ray every success in his new assignment.

Any questions may be directed to the School Board Office at 250 949 6618.

Thank you,
