June 2022

Dear Parents and Guardians,

Our very generous Parent Advisory Committee will be purchasing our students school supplies this year. We do however have a small list of items we are asking families to buy for their children.

We ask that each child have the following items:

- ⇒ **Indoor shoes**— Please have your child bring in non-marking shoes for their indoor time. We ask you purchase shoes they are able to put on themselves.
- ⇒ **Backpack with lunch kit**—Please make sure to label these items so we can return them to their proper owner if they become lost.
- ⇒ **Reusable water bottle**— We encourage students to drink water while at school.
- ⇒ **2 boxes of tissues**—Unfortunately students do on occasion suffer from a runny nose at school.
- ⇒ **Rain gear**—Our school will be taking a greater focus on outdoor learning. Students will need rain boots, rain pants and a waterproof jacket. These items are to be left at the school. Please make sure to label everything.

We are excited about the new school year and look forward to seeing students back in the building!

Thank you,

Jackie Peterson
